As a result of the increase of the salary of the Labour Commissioner the allotment under D. A. has to be proportionately increased. An additional allotment of Rs. 118 is therefore required under "39—Labour—(2) Allowances—(b) D. A.".

A provision of Rs. 125 has been made in the budget for postage. But due to the increase in correspondence a sum of Rs. 20 per mensem is required for expenditure under this head. Hence an additional allotment of Rs. 115 is required under "39—Labour—3—Contingencies".

The actual average expenditure per mensem for service labels comes to Rs. 40. Again the work of camp registration of Employment Exchange is yet to begin and a sum of Rs. 20 is anticipated as expenditure for this. A provision of Rs. 350 only has been made for this. Hence an additional allotment of Rs. 150 is required under "39—Labour—3—Contingencies—Service Labels".

I request that these allotments may be sanctioned.

Mr. P. Kumaran Ezhuthassan *(Vadakkancheri):* One point of information, Sir. Is the bonus asked for includes the bonus for the secondary school teachers also ?

Mr. P. Govinda Menon *(Minister for Food and Education):* I am sorry that this is not intended for the school teachers, but for the members of the Labour Department.

Deputy President: The question is that the Government be granted the additional sums of Rs. 436, Rs. 75, Rs. 118, Rs. 115 and Rs. 150 under "39—Labour—'(1) (b) Establishment', (2) Allowances—(a) T. A., (2) Allowances (b) D. A.. (3) Contingencies and (3) Contingencies—Service labels" respectively.

(xxiv) 41-B—Price Control

Rao Bahadur T. K. Nayar *(Minister for Public Health):* I raise to move for an additional allotment of Rs. 2,398 under "41-(*b*) Price Control—Excise Department".

The Cochin boundary from Erayamkudy—Koratty to Echipara is a long stretch with rich paddy fields on Cochin side and Travancore on the other. This border was not being adequately guarded. In that long stretch there was only one Excise checking post at Koratty with two peons. As this was found quite insufficient, two new excise checking posts were opened as a temporary measure one at Adichal with five peons and a Petty Officer and the other at Mampra with 3 peons. A flying sqaud consisting of one Petty Officer and four peons was also organised to patrol the 8 suspected villages from Erayamkudy to Krishnankotta and thence to Vadakkumbhagam and also to check the work of the existing Excise posts.

In view of the urgency of the matter the staff required for the above purpose was drafted from other places by the Excise Commissioner, but it is now reported that he will not be able to continue the above arrangements without prejudice to normal work. Therefore an additional staff of one Petty Officer and 8 peons is required for the posts at Mampra and Adichal. The allotment required for this purpose is Rs. 2,398 as detailed below.—

		Rs.
Establishment	..	724
Leave allowance at 2½ per cent	..	19
Dearness allowance	..	1,210
Leave allowance	..	30
Other charges	..	415
Total	..	2,398

There is no provision in the current year's budget. Hence the request for additional allotment, and it may be sanctioned.

Deputy President: The question is that the Government be granted an additional sum of Rs. 2,398 under "41-(*b*) Price Control—Excise Department".
